

SpringThing 2010 Bourbon Trail...Round two.

Join us May 13-16!

SpringThing 2010 will be an exciting journey through some of the most scenic Kentucky backroads. Enjoy the traditional historic homes and rolling hills while the Bourbon Trail and the Bluegrass Club does the rest.

Our signature Hospitality suite will be overflowing the Bluegrass food and drink. Take a moment to enjoy the fun-loving Funkhana.

On Friday take an opportunity to site-see or just relax around our host city, Lebanon. The town square is stocked with shops and watering holes or the countryside provides getaways just a short drive from the hotel...you decide! On Friday night the folks at Maker's Mark Distillery have something special cooked up for us, literally. Feast on a traditional Kentucky barbeque dinner on the grounds of the historic distillery. Then take a private VIP tour and tasting topped off by your once-in-a-lifetime opportunity to dip your own Maker's Mark souvenir bottle. All of this is included in the price of your banquet, just another way the Bluegrass Club works to bring fun, uniqueness and value to every part of SpringThing.

On Saturday pack your bags and head...east! We'll venture across the Bluegrass our next location, where our host hotel is the historic, Boone Tavern. Located in beautiful Berea, this fully-renovated hotel provides first-class accommodations and restaurant. Be sure to leave plenty of time in your day to experience all the amazing shops and artists Berea has to offer.
